# Catering

---

We can cater for light snacks, lunches, buffet meals to sit down 3 course formal catering. Please keep in mind we can cater to individual tastes and needs and do not hesitate to contact us if you require us to generate a custom menu for your conference.

## DIETARY CHOICES

We suggest your invitation include a simple request that your invitees inform you of their particular dietary needs when they RSVP. Once we have this information we will endeavor to provide a suitable cuisine.

### GLUTEN-FREE:

Many of our meals featured in this package are gluten-free or can easily be adapted. Please ensure you discuss this requirement with the Sales team.

### DIABETIC:

The requirements of diabetics vary depending on the type and severity of the individual's case. The most vital aspect of a diabetic diet is timing. A diabetic must carefully consider how much food is entering their system and at what time. For this reason timing of the overall function can be critical for a diabetic.

Additionally meals must feature a low level of sugar. Consider ordering a fruit platter for a diabetic dessert.

### NUTS AND NUT OILS:

The Cessnock Leagues Club does not use peanut oil as an ingredient in any of our meals.

Some products we use may contain nut oils and it is vital that any guest allergic to nuts and nut products bring this to our attention as early as possible.

### RELIGIOUS AND LIFESTYLE CHOICES:

Our Chefs have many years' experience at catering to a large number of varied dietary styles. We are confident that we can provide special meals given sufficient notice
