

# COVID-19 FORCED CLOSURE

On Monday, 23 March 2020 the Federal Government forced all clubs across Australia to shut down as one of their measures to slow down the spread of the COVID-19 virus.

Accordingly, the Cessnock Leagues Club will be closed indefinitely.

This forced shut down is devastating for our Staff, Members and the entire Cessnock Community. Updates during this forced shut down will be issued via our social media channels and website.

Cessnock Leagues Club looks forward to welcoming you back soon. In the meantime, take care of yourself and each other.
