Carrie's Place

SUPPORTING THE COMMUNITY
— SINCE 1980 —

Carrie's Place provides mobile assertive outreach to rough sleepers in the Cessnock area.

The \$5,000 grant under Cessnock Leagues Club Community grants program will help these people who may not want to or are unable to access local services due to a number of barriers including, mistrust or lack of knowledge of government services.

Delivery of the project would include flexibility to meet clients in locations they frequent. Case management provided by Carrie's Place workers with expertise in homelessness is available. This also helps assess the risks to rough sleepers safety and provide support to minimise risk to health and physical safety.
