The Shepherd Centre

The Shepherd Centre for Deaf Children is an education and support program for parents of children with hearing loss in Cessnock.

To help the group with its work, Cessnock Leagues Club had donated \$1,352 under its Community Grants program.

Talk Together Connection is a group program that brings together parents with a child with hearing loss for families in Cessnock and enables parents to attend sessions remotely by video, helping them overcome the barrier of distance that can prevent families from accessing much needed support.

Parents learn how to cope with and address their child's hearing loss diagnosis, and develop their skills and knowledge needed to support their child's listening, speech and language development.
